Please Note:

When a shade is expressed as Scarlet Orange the first colour is the adjective and the second colour is the noun, so a Scarlet Orange shade should be predominantly an Orange shade with a touch of scarlet. However, for some reason this does not always apply in some ACSC listings.

NOTE: Most listed shades are not a definite absolute colour. The listed shades represent a group of shades and many distinct sub shades can be added to a collection.

NOTE: Most listed values are available in IMPRINT PAIRS in lieu of Imprint blocks of 4. **Prices on request.**
